Re: Required Submission of Information  
Lower Darby Creek Area Superfund Site –  
Clearview Landfill, Folcroft Landfill, and Folcroft Landfill Annex

Dear Ms. Prisk:

Our firm is counsel for Nason and Cullen, Inc., which, on April 18<sup>th</sup>, received the EPA's letter of April 16, 2002 in connection with the above matter.

My client is in the process of investigating the questions posed in such letter, and will need additional time.

I therefore, preliminarily, request an extension of thirty (30) days within which to submit information responsive to your letter. It is possible, under the circumstances, and given the time period in question, that additional time will be required. I will contact you if that is necessary.

Thank you for your cooperation in this matter.

Sincerely,

COZEN O'CONNOR
